THE
LIFE & TEACHING
OF
KARL MARX

BY
M. BEER

Author of "A History of British Socialism"

This is a translation of a book written by M. Beer to commemorate the centenary of Marx's birth. It is an adequate and reliable biography, full of interesting personal details and a clear and comprehensive account of Marx's economic and historical doctrines. A special feature of the book is the new light thrown on Marx's attitude to the "Dictatorship of the Proletariat" and Bolshevist methods generally. No other work in English gives the same information.
